SEPTEMBER 24, 1962

PANAMA CANAL
PRESS RELEASE

BALBOA HEIGHTS, C. Z.
August 13, 1962

CANAL ZONE ANTI-MALARIA POSTAGE STAMP

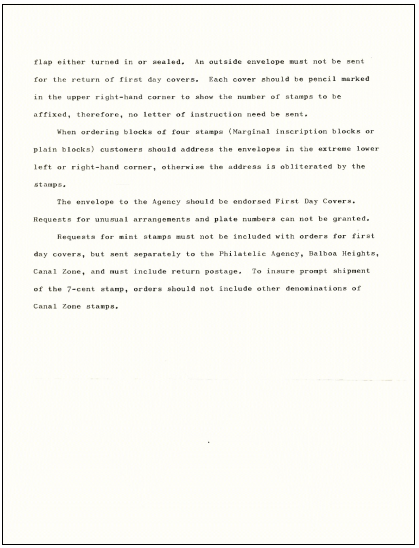

A new 7-cent Canal Zone Airmail postage stamp, issued in connection with the World Health Organization's malaria eradication program, will be placed on sale at Balboa, Canal Zone Post Office, September 24, 1962.

The stamp, released by the Canal Zone Postal Service, will be printed on yellow (tinted) pre-gummed paper in black, on the Giori press by the Bureau of Engraving and Printing. An initial printing of 2,000,000 has been authorized.

The stamp will be 0.84 by 1.44 inch in dimension, arranged horizontally and issued in sheets of 50.

The stamp features the emblem of the World Health Organization, an agency of the United Nations, on the left side of the stamp, with the Anopheles mosquito appearing on the right side of the stamp. Across the right top of the stamp is lettered "CANAL ZONE"; in the center the slogan, suggested by WHO, "THE WORLD UNITED AGAINST MALARIA" and across the bottom left the lettering "7¢ AIRMAIL".

Stamp collectors desiring first day cancellations of the stamp may send addressed envelopes to the Philatelic Agency, Balboa Heights, Canal Zone, with money order remittance to cover the cost of the stamps affixed. Postage stamps and personal checks will not be accepted. Envelopes submitted should be of ordinary letter size and should be properly addressed. An enclosure of medium weight should be placed in each envelope and the

flap either turned in or sealed. An outside envelope must not be sent for the return of first day covers. Each cover should be pencil marked in the upper right-hand corner to show the number of stamps to be affixed, therefore, no letter of instruction need be sent.

When ordering blocks of four stamps (Marginal inscription blocks or plain blocks) customers should address the envelopes in the extreme lower left or right-hand corner, otherwise the address is obliterated by the stamps.

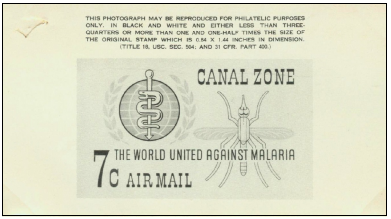

The envelope to the Agency should be endorsed First Day Covers. Requests for unusual arrangements and plate numbers can not be granted.

Requests for mint stamps must not be included with orders for first day covers, but sent separately to the Philatelic Agency, Balboa Heights, Canal Zone, and must include return postage. To insure prompt shipment of the 7-cent stamp, orders should not include other denominations of Canal Zone stamps.

Description: announcement sent to media to publicize the issue
Size: 203 x 266 mm
Notes: included a black-and-white photo essay stapled at upper left (see C33 Essay below)
Price: C

ADD-ON CACHETS

The following cachets are "add-ons" – applied during the past few years to covers that were originally prepared without cachets. Some of the cachets illustrated below are found in various sizes. Quantities of individual designs are unknown. Additional types likely exist. One producer who adds cachets pencils a notation on the cover's reverse, sometimes under the flap. Another prints a logo with descriptive information on the reverse. Others sometimes pencil a notation on the reverse. Selling prices for covers with these cachets have been in the B range.

PANAMA CANAL
PRESS RELEASE

BALBOA HEIGHTS, C. Z.
August 13, 1962

CANAL ZONE ANTI-MALARIA POSTAGE STAMP

A new 7-cent Canal Zone Airmail postage stamp, issued in connection with the World Health Organization's malaria eradication program, will be placed on sale at Balboa, Canal Zone Post Office, September 24, 1962.

The stamp, released by the Canal Zone Postal Service, will be printed on yellow (tinted) pre-gummed paper in black, on the Giori press by the Bureau of Engraving and Printing. An initial printing of 2,000,000 has been authorized.

The stamp will be 0.84 by 1.44 inch in dimension, arranged horizontally and issued in sheets of 50.

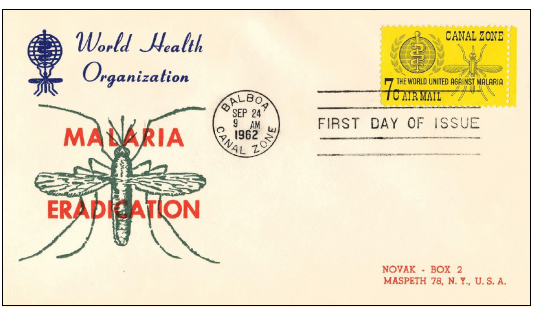

The stamp features the emblem of the World Health Organization, an agency of the United Nations, on the left side of the stamp, with the Anopheles mosquito appearing on the right side of the stamp. Across the right top of the stamp is lettered "CANAL ZONE"; in the center the slogan, suggested by WHO, "THE WORLD UNITED AGAINST MALARIA" and across the bottom left the lettering "7¢ AIRMAIL".

Stamp collectors desiring first day cancellations of the stamp may send addressed envelopes to the Philatelic Agency, Balboa Heights, Canal Zone, with money order remittance to cover the cost of the stamps affixed. Postage stamps and personal checks will not be accepted. Envelopes submitted should be of ordinary letter size and should be properly addressed.

insert

CANAL ZONE "ERADICATE THE MOSQUITO!"- France twice failed to build a Panama Canal because of the yellow-fever mosquito. Today Anopheles is the target as the U.N. World Health Organization throws its big guns into total war against this greatest killer of children. Borderless cosmen shows staff of Aesculapius with snake against a globe bracketed by the U.N. wreath symbolizing Medical Science. At right, female Anopheles seen from above. Scarce cachet hand painted, shows an allegory of a mosquito fighter protecting the peaceful countryside with his pressurized swamp-oiler that prevents larvae from reaching maturity.....

FIRST DAY USAGE - CANCEL BL-2

PANAMA CANAL
PRESS RELEASE

BALBOA HEIGHTS, C.Z.
August 13, 1962

CANAL ZONE ANTI-MALARIA POSTAGE STAMP

A new 7-cent Canal Zone Airmail postage stamp, issued in connection with the World Health Organization's malaria eradication program, will be placed on sale at Balboa, Canal Zone Post Office, September 24, 1962.

The stamp, released by the Canal Zone Postal Service, will be printed on yellow (tinted) pregummed paper in black, on the Giori press by the Bureau of Engraving and Printing. An initial printing of 2,000,000 has been authorized.

The stamp will be 0.85 by 1.44 inch in dimension, arranged horizontally and issued in sheets of 50.

The stamp features the emblem of the World Health Organization, an agency of the United Nations, on the left side of the stamp, with the Anopheles mosquito appearing on the right side of the stamp. Across the right top of the stamp is lettered "CANAL ZONE"; in the center the stages, suppported by WHO, "THE WORLD UNITED AGAINST MALARIA" and across the bottom left the lettering "7¢ AIRMAIL".

Stamp collectors desiring first day cancellations of the stamp may send addressed envelopes to the Philatelic Agency, Balboa Heights, Canal Zone, with money order remittance to cover the cost of the stamps affixed. Postage stamps and personal checks will not be accepted. Envelopes submitted should be of ordinary letter size and should be properly addressed. Two enclosure of medium weight should be placed in each envelope and the fee either taxed or sealed. An outside envelope should be used for protection. The number of stamps desired should be marked in the upper right-hand corner to show the number of stamps to be affixed, therefore, no extra of denomination need be sent.

When ordering blocks of four stamps (Marginal inscription blocks or plate blocks) customers should address the envelopes in the extreme lower left or right-hand corner, otherwise the address is obliterated by the stamps.

The envelopes to the Agency should be endorsed First Day Covers. Requests for unusual arrangements and plate numbers cannot be granted.

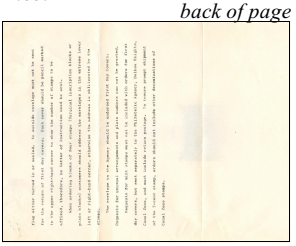

Requests for relief stamps must not be included with orders for first day covers, but sent separately to the Philatelic Agency, Balboa Heights, C.Z., and must include return postage. To insure prompt shipment of the latest stamps, orders should not include other denominations of Canal Zone stamps.

URBANA,

Canal Zone Anti-Malaria Postage Stamp

A new 7-cent Canal Zone Airmail postage stamp, issued in connection with the World Health Organization s malaria eradication program, will be placed on sale at Balboa, Canal Zone Post Office, September 24, 1962.

The stamp- released by the Canal Zone Postal Service, will be printed on yellow (tinted) pre-gummed paper in black, on the Giori press by the Bureau of Engraving and Printing. An initial printing of 2 million has been authorized.

The stamp will be 0.84 by 1.44 inch in dimension, arranged horizontally and issued in sheets of 50.

The stamp features the emblem of the World Health Organization, an agency of the United Nations, on the left side of the stamp, with the Anopheles mosquito appearing on the right side of the stamp. Across the right top of the stamp is lettered "CANAL ZONE"; in the center the slogan, suggested by WHO, "THE WORLD UNITED AGAINST MALARIA" and across the bottom left the lettering "7¢ AIRMAIL".

Stamp collectors desiring first day cancellations of the stamp may send addressed envelopes to the Philatelic Agency, Balboa Heights, C.Z., with money order remittance to cover the cost of the stamps affixed. Postage Stamps and personal checks will not be accepted. Envelopes submitted should be of ordinary letter size and should be properly addressed. An enclosure of medium weight should be placed in each envelope and the flap either turned in or sealed. An outside envelope must not be sent for the return of first day covers. Each cover should be pencil marked in the upper right-hand corner to show the number of stamps to be affixed, therefore, no letter of instruction need be sent.

When ordering blocks of four stamps (Marginal Inscription blocks or plain blocks) customers should address the envelopes in the extreme lower left or right-hand corner, otherwise the address is obliterated by the stamps.

The envelope to the Agency should be endorsed First-Day Covers. Requests for unusual arrangements and plate numbers cannot be granted.

Requests for mint stamps must not be included with orders for first day covers, but sent separately to the Philatelic Agency, Balboa Heights, C.Z., and must include return postage. To insure prompt shipment of the 7-cent stamp, orders should not include other denominations of Canal Zone stamps.

AVAILABLE — BOOK "CANAL ZONE POSTAGE STAMPS" — $2.50 PER COPY POSTPAID
