The European Alliance Against Malaria is a committed group of civil society organizations from Brussels, France, Germany, Spain, and the United Kingdom all working in the field of global health and development. They aim through advocacy to increase funding and improve malaria programs, demanding rigorous and resolute action to fight malaria as part of global efforts to reduce poverty and meet the Millennium Development Goals (MDGs).

Cachet: DANKE, MAMA postcard
Producer: German foundation for world population

Illustrator: Arthur Blum
Size: 148 x 105 mm

Notes: text on reverse: It's great that you're there! / Thousands of mothers and pregnant women in developing countries die from malaria every year. With the protections of awareness, medication and mosquito nets, new infections are reduced by more than half where they are used.
