

SLOGAN METERS

The following slogan meters are types used at the World Health Organization headquarters in New York and Geneva and at the WHO regional offices around the world. Additional information, usage details, and examples are presented in a section labeled (1962) slogan meter in the alphabetic listing for the country in which each respective meter was used to pay postage.

A New York (United States)

B New York (United States)

C Geneva (Switzerland)

= 7 IV 62 = BRAZZAVILLE =
